PROFESSIONAL EXPERIENCE

AR Follow-up Representative | *Tenet Health* July 2026 - Present

- Handling accounts receivable follow-up for healthcare claims using Athena and IDX billing systems.
- Currently in training, building hands-on experience with hospital billing workflows and payer follow-up.
- Applying prior insurance knowledge to identify and resolve outstanding claim issues.

Advisor II, Customer Service | *Concentrix Healthcare Insurance* October 2025 - January 2026

- Promoted to Advisor II after being recognized as a top performer for three consecutive quarters within a healthcare insurance account.
- Served as subject matter expert on claims, benefits, eligibility, COB, EOB, and appeals, supporting peers on complex and escalated cases.
- Handled back office tasks and mentored new advisors on healthcare insurance processes and challenging member interactions.

Advisor I, Customer Service | *Concentrix Healthcare Insurance* June 2024 - October 2025

- Handled high-volume inbound calls for a healthcare insurance account covering claims, benefits, eligibility verification, COB, EOB, and appeals.
- Processed back office tasks including documentation, claim updates, and case resolution within established service timelines.
- Maintained data integrity by thoroughly documenting all member interactions and call outcomes within tracking systems.
